Allowable Subject Matter

4. Claims 22, 25, 28-55 are allowed.

5. The following is an examiner's statement of reasons for allowance: Respect to claim 22, 25, 52-55, the cited prior arts fail to disclose or suggest the step activating the first organic compound evaporated from the first evaporation source and the second organic compound evaporated from the second evaporation source by irradiation with light in the film formation chamber so that an organic film including the first organic compound and the second organic compound is formed over a substrate in combination with all other limitation in the claims. Respect to claims 28-51, the reason for allowance was discussed in previous office action.
6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
